

Jordan Moxam Memorial Sports Programs

The Memorial sports programs were started to provide those less fortunate an opportunity to participate in the sports Jordan loved - Hockey and Lacrosse

Participating in sports provides the opportunity to develop new friendships, enjoy competition and learn many life lessons.

Come join us for an afternoon filled with friendships, good food, prizes, silent auction, inspirational speakers and golf.

Lets give children the opportunity of participating in Canada's national sports - Lacrosse & Hockey!

Make this year a family event, Special rates for Parent /Child Teams!
